17 Tendered contractors should pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work failing which, this amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

18 There should be no erasures in the tenders in the rates of items and any corrections made in the rates should be attested to.

19 No conditional clause will be accepted.

20 No claim of damages for delays caused by officers of Department in the execution of works will be considered whatever may be the reasons for such delays.

21 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than the tendered ones will be paid on any account.

H. PUTTASWAMY,
Ex. Engr.

4791

OFFICE OF THE EXECUTIVE ENGINEER, UPPER CAUVERY DIVISION, KRISHNARAJANAGAR.

Notification dated 14th October 1953.

The date of receipt of Tenders in this Office for constructing an R.C.C. Tank of 50,000 gallons capacity on 40 ft. staging in connection with the improvements to Water Supply to Holenarasipur Town, notified in 7th September 1953, *vide* page 1255 of Part VI of the *Mysore Gazette*, dated 24th September 1953, has been extended up to 4 P.M. on 13th November 1953.

5132

Notification dated 21st October 1953.

1 Sealed quotations duly signed by the contractors will be received in the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, up to 4 P.M. on 23rd November 1953. (Estimate for the entire bridge sanctioned for Rs. 5·18 lakhs.)

2 For each item of work, individual rates may be quoted both in words and figures.

3 The quotations should be given separately for each pier and abutment. Pier numbers are received from the Mirle side, and as Pier No. 1, 2, etc. Abutment on Mirle side is left abutment and on the Chunchankatte side is the right abutment.

4 The piece worker may quote the rate for a single pier or any number of piers as he likes, but separately each pier and abutment.

5 Each quotation should accompany with the treasury chellan for having remitted the earnest money under Revenue Deposit at the rate of Rs. 300 for each pier and Rs. 900 for each abutment limited to a total of Rs. 5,000.

6 For lumpsum provision and for non-tendered items, the rates will be paid as per minimum current schedule in case of scheduled items. For other items rates based on the data got upon the minimum current schedule will be allowed.

7 Quotations may be given by the intending piece workers on blank paper.

8 The quotation without chellan for having remitted the required earnest money deposit will be rejected.

9 It should be clearly noted on the cover whether the chellan for having credited the earnest money deposit is enclosed, and number and date of the same also noted. If it is omitted, the cover will not be opened and rejected as it is.

10 The contractor should quote rates only for the units and nature of work specified in the form. If rates are quoted for alternative works instead of specified nature of work, such tender will be disqualified.

11 The final acceptance of the tenders rests with the Government which is not bound to accept the lowest or to furnish any reason therefor.

12 Estimates and plans will be available for reference in the office of the undersigned, and any other particulars required, on all the working days during office hours.

13 The successful tenderer should bind himself by the departmental rules in force and execute necessary agreement within a week of acceptance of the tender, failing which, the earnest money will be forfeited to Government.

14 Quantities noted in the abstract estimates are only approximate and may be less or more.

15 The rates quoted by the tenderer should hold good till completion of the work irrespective of the fluctuation in rates.

16 The rates quoted should be inclusive of all existing and new taxes payable as per Government Rules.

17 In case of any accident to the labour employed by the accepted tenderer, he should pay compensation to the injured as per rules, failing which the amount will be deducted out of bills and other claims and paid to the injured.

18 Reserve and earnest money deposit will be repaid only at the time of settlement of final bill.

19 The term "specification" mentioned either in the schedule or in the estimate in the notified item would mean specific item of work to be done according to the instructions of the Public Works Department with reference to design, calculation, etc., furnished during execution and no higher rates than tendered ones will be paid.

20 The department does not undertake any responsibility to supply lorries to the contractors.

21 The work should not be sublet.

22 The contractor will have to make his own arrangement for water required for the works, scaffolding materials, conveying material, approach road to quarries. No extra amount will be paid for any of the above items.

K. N. SURYANARAYANA SASTRY,
Executive Engineer.

5213

HASSAN DIVISION.

Tender Notification dated 16th October 1953.

Sealed tenders duly signed by the contractors will be received by the undersigned up to 4 P.M. on 9th November 1953 for the following works :—

Sl. No.	Name of work	Amount of estimate.	Earnest money deposit.	Work to be completed by the end of	Monthly progress.
		Rs.	Rs		Rs.
1.	Constructing a bridge of 2 vents of 30' span across Kageballa near Savasthalla in Belur Taluk.	20,280	1,000	May 1954	...

1. For each item of work individual rates may be quoted both in words and figures.

2. Tender will hold good till acceptance or otherwise by the competent authorities.

3. For lumpsum provisions or for non-tendered items, the rates will be paid as per current schedule in the case of scheduled items. For other items rates based on data with 10 per cent profit will be paid.

4. Printed tender forms can be had at the Office of the Executive Engineer, Hassan Division, Hassan on payment of four annas (Re. 0-4-0) only per form. Tenders submitted in other than the printed form will be rejected. No cheques will be accepted.

5. Each tender should be accompanied with a treasury challan for earnest money paid to the Treasury to the credit of "Revenue Deposits" by each remittance.

6. The final acceptance of the tender will rest with the Superintending Engineer, Shimoga Circle, Shimoga. Estimates and plans will be available for reference in the Office of the Executive Engineer, Hassan Division, on all working days between 11 A.M. and 5 P.M.

7. The successful tenderer should bind himself to abide by the departmental rules in force and execute the necessary agreement within a week of acceptance of his tender, failing which the earnest money deposit will be forfeited to Government.

8. The department does not bind itself to accept the lowest or any tender or to assign any reason whatsoever for the rejection, if any.

9. Quantities noted in the abstract estimate are only approximate.

10. The rates quoted by the tenderers should hold good till the completion of the work irrespective of the fluctuation in rates.

11. The work should be completed in all respects by the end as noted above.

12. Sales-tax clearence certificate should be furnished along with the tenders.

5165 V. B. NAIDU, *Ex. Engr.*

SHIMOGA DIVISION.

Notification dated 30th September 1953.

Sealed tenders duly signed by the public will be received in the Office of the Executive Engineer, Shimoga Division, upto 4 P.M. on 29th October 1953, for purchase of empty mexphalt barrels available one lot of 200 barrels in the Division Office and 600 barrels near the Office of the Assistant Engineer, No. 1 Sub-Division, Shimoga.

1 Each tender must be accompanied by a duplicate Treasury Challen for having credited an amount of Rs. 100 under Revenue Deposits. Tenders not accompanied by the Treasury Challen required will not be considered.

2 No cheques will be accepted as deposit of earnest money.

3 The rate should be quoted for each barrel. The successful tenderer should deposit the full amount of cost within three days after approval of the tender by competant authority. The successful tenderer shall bind himself to abide by the departmental rules in force.

4 No conditional clause will be accepted.

5 The contractor should make his own arrangements to convey materials from the premises within a week from the date of acceptance of tender.

6 Persons willing to see the articles may do so at the store premises of the Executive Engineer's Office, during the office hours on any working day.

C. K. RANGARAJA IYENGAR,
5006 *Ex. Engr.*

CHIKMAGALUR DIVISION.

Notification dated 14th October 1953.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur, up to 4 P.M. on 2nd November 1953, for the following work:—

Name of work	Amount of estimate	Earnest money	Work to be completed by the end of	Monthly progress not less than
	Rs.	Rs.		Rs.
1. Estimate for constructing Urdu Primary School at Kallapur, Kadur Taluk.	5,200	260	March 1954.	1,500

1 The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

2 The tender will hold good till the acceptance or otherwise by the competent authorities.

3 For lumpsum provision or for non-tendered items the rates will be paid as per current minimum schedule in the case of scheduled items and rate with (ten) 10 per cent profit for items which do not find place in the schedule.

4 No conditional clauses will be accepted.

5 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

6 Tenders will not be considered unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur.

7 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary "Mutchalika" within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

8 Each tender should be accompanied by a treasury chellan noted above as earnest money paid to the Treasury to the credit of "Revenue Deposits".

9 The final acceptance of the tender will rest with the Superintending Engineer, Shimoga Circle, Shimoga. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur, on all working days during office hours.

10 The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

11 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional 10 per cent on cost of the materials supplied from the Department will be charged as centage.

12 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

13 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

15 The Department does not undertake the responsibility to supply lorries to the contractor.

16 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17 The works should not be sublet.

18 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

19 The contractor should furnish an income-tax clearance certificate along with the tender as per rules.
